PROJECT OVERALL

E-commerce Platforms for Traditional Handicrafts from Southern Vietnam

This project aims to empower artisan communities in Southern Vietnam, especially Indigenous and ethnic minority groups, by establishing community-owned and managed e-commerce platforms for their traditional handicrafts.

The core vision is to expand market access for these artisans, ensuring fair trade practices, cultural preservation, and sustainable livelihoods, all while adhering to ethical and culturally appropriate guidelines.

PHASE 1

COMMUNITY CONSULTATION, NEEDS ASSESSMENT, AND
PLATFORM STRATEGY

PHASE 1

Research important information

In the phase 1 of the project, we utilize famous and unique artisan communities accross Southern Vietnam, supporting by AI assistance

Summary information

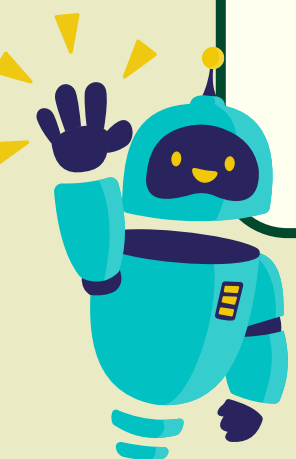

After collecting infromation about artisan communities, team based on value criterias to decide which province will be for next phase.

Decision

Based on the criterias, my team decide "Kien Giang Province" for the next phase

THANK YOU FOR LISTENING .
